Subject: ACTION REQUIRED: Inquiry from Sen. Roy Blunt re: West Lake Landfill

Good Afternoon,

I received a call from Jennifer Hoskins with Sen. Blunt's St. Louis office.

- [REDACTED] She stated that they have received a spike in calls and concerns from the community about the fire at the Bridgeton Landfill.

- [REDACTED] She asked about:

- The status of the pyrolysis testing EPA discussed at the May 21 congressional briefing.
- The timeline for EPA to review the AG documents and are we planning to release a statement to the community after the review.
- Anything current or new that she should know in order to brief Sen. Blunt.

Please advise.

Thanks.

LaTonya Sanders
